6.1.1 all rights granted to the Customer with respect to the Software shall cease;

6.1.2 the Customer shall cease all further use of the Software; and

6.1.3 the Customer shall immediately destroy or return to VCG (at VCG's option) all copies of the Software then in its possession, custody or control and, in the case of destruction, certify to VCG that it has done so.

4.2. The Customer must obtain any relevant consents and approvals for the installation and use of any Equipment at the Site.

6.3. If VCG suspends the Telephony Services due to any event in paragraph 6.1, this will not preclude it from terminating the Telephony Services later in respect of that or any other event, nor will it prevent VCG from claiming damages from the Customer.

In each case, VCG will give the Customer reasonable advance notice (including by e-mail) and use all reasonable endeavours to minimise the effect that such change will have on the Customer's use of the Hosting Services.
- 2.3.
